30th April 2020

Message from the Dental Council of Trinidad and Tobago

Further to our last notification concerning the national lockdown of non-essential services until April 30th 2020, please be advised that this has been extended to May 14th 2020 as advised by the authorities.

We wish to emphasize again that ROUTINE DENTAL PROCEDURES ARE NOT TO BE PERFORMED AT THIS TIME; EMERGENCY DENTAL TREATMENT ONLY as outlined by the Public Health [2019 Novel Coronavirus (2019-nCoV)] (No. 7) Regulations, 2020 and the Ministry of Health.

You are also advised to issue letters of authorization of employment to your staff who are expected to attend work during this period. Dental practitioners are encouraged to have on their person their DCTT Membership Card and/or business card for purposes of verification if required.

Should you require any further clarification, please do not hesitate to contact the DCTT. We look forward to your support and will continue to update you as more information becomes available.

Sincerely,

Dr. Ingrid Seeberan
Secretary – DDS (Hon)
